

# FBYC led Confirmation Retreats

In November and again in December a team from FBYC led Confirmation Retreats. This was in response to requests from smaller Parishes in the Archdiocese asking for help to run their retreats.

Both Retreats were a huge success and we received a lot of positive feedback from both the youth that attended and their chaperons and youth ministers.

As we move forward we are planning to run three similar retreats in the coming retreat season and a retreat for small group leaders and chaperons.

All this is made possible because of the awesome team at FBYC and the many benefactors that help keep our doors open. Together we are making a difference as we build the Church one youth at a time.
